

Notified in The Gazette of India

Order No. CG-DL-E-14082025-265413 Dtd 13.08.25

In the said order, in Schedule VI

Part A, Specifications of Biostimulants

Sub-heading 1, Humic and Fulvic Acid and their derivatives

(20) Humic acids 40% (Powder)

Composition

S. No.	Ingredients	Content
(i)	Humic substances (Source: Leonardite) per cent. by weight, minimum	75
(ii)	Potash per cent. by weight, minimum	4
(iii)	Precipitated Silica (Anti-caking agent) per cent. by weight, minimum	5
(iv)	Moisture per cent. by weight, minimum	16
(v)	Total (per cent.)	100

Specifications

S. No.	Parameters	Value
(i)	Humic acid per cent. by weight, minimum	40
(ii)	pH (1% aqueous solution)	8.5 – 11.5
(iii)	Bulk density (g/cc)	0.85 – 1.05
(iv)	Total organic carbon per cent. by weight, minimum	20
(v)	Solubility per cent. by weight, minimum	80

(a) Name of crop: Soybean and Paddy

(b) Dose: As given in table below –

S. No.	Crop	Dose
(i)	Soybean	Two soil applications at 625 g/ha
(ii)	Paddy	Two soil applications at 625 g/ha
